

Data-cable

LEONI Dacar® 462-KOAX 50-1,52-2,8/T105

Operating temperature (3000 h)

-40° C bis +105° C

Design characterization

Inner conductor: stranded copper-covered steel wire, Staku I/40 similar to DIN 48200-7

Dielectric: XPE, colour: nature

Shielding: 1. aluminium coated foil
2. braid of tinned copper wires, Cu ETP1 according to EN 13602

Sheath: PVC, color: customer specific

Characteristic impedance: 100 ± 10 Ohm
